

JAVA JAM 2010
VARSITY GIRLS / JUNIOR GIRLS
BASKETBALL TOURNAMENT DRAW

Below is the tournament draw for the Java Jam 2010 Varsity Girls and Junior Varsity Girls Basketball Tournament. Read over the draw carefully and note when and where your team plays and the times of the Pep Rally and the Skills Competition. For both levels the teams are divided into 2 pools. We will play a round robin and then break into playoffs on Saturday. **It is important to note that some teams play games close together as it is needed to get all games in and completed in the round robin, that's the best we can do. Teams listed first on the draw will wear light uniforms.**
