

Brandon High School Curling

ATTENDANCE

Effective immediately Brandon High School Curling has implemented an Attendance Policy:

No Prior Notice

A team missing a game with no prior notice and with no legitimate reason will automatically be put on probation plus default the win to the opposing team. The 2nd time the team misses with no notice or legitimate reason they will be disqualified from playing.

Advance Prior Notice

At least 1 week must be given to a school curling supervisor so that we can notify the opposing team and the H. S. Curling Coordinator. As soon as you know of a conflict, let us know. We can then have the H.S. Coordinator change the curling draw prior to 1 week notice.

Individual Attendance

A member of a team that misses curling is a detriment to the team. If a member misses curling without informing their curling supervisor, they will be put on probation. A second absenteeism without notice will possibly cause forfeiture of their position on the team and their curling fees. Note that 2 members choosing to miss a game without notice will bring into effect the *No Prior Notice* rule.
